### LOK SABHA

The following Bills were introduced in Lok Sabha on the 5th March, 1965:—

BILL NO. 8 OF 1965

A Bill further to amend the Hindu Succession Act, 1956.

Be it enacted by Parliament in the Fifteenth Year of the Republic of India as follows:—

1. (1) This Act may be called the Hindu Succession (Amendment) Act, 1965.

5 (2) It extends to the whole of India except the State of Jammu and Kashmir.

(3) It shall come into force on such date as the President may, by notification in the Official Gazette, appoint in this behalf.

Short title,  
extent  
and com-  
mence-  
ment.

Amend-  
ment of  
section  
14.

2. In sub-section (1) of section 14 of the Hindu Succession Act, 1956, the following proviso shall be inserted, namely:—

30 of 1056.

“Provided that except the transfers made bonafide and for consideration, all other transfers made by a Hindu widow after the commencement of the Hindu Succession Act, 1956, with a view to prejudice the claims of her step-sons or step-daughters shall be void.”

### STATEMENT OF OBJECTS AND REASONS

After the commencement of the Hindu Succession Act, 1956, a Hindu widow gets absolute interest in the property of her husband to the extent of her share. Now, if a Hindu widow has two sons, one born of a deceased co-wife and the other being her own son, she generally makes a gift or bogus sale of her said share in favour of her own son. This causes great hardship and injustice to her step-son who is deprived of a major portion of the paternal estate which he would otherwise have inherited in due course.

The object of the Bill is not to cause any hardship to the widow because she will continue to have full power to make bona fide transfer for consideration, but to prevent her from making gifts or mala fide sales in favour of her own son after ignoring the step-son.

## BILL No. 6 OF 1965

*A Bill further to amend the Salaries and Allowances of Ministers Act, 1952.*

BE it enacted by Parliament in the Sixteenth Year of the Republic of India as follows:—

Short title  
and com-  
mencement.

1. (1) This Act may be called the Salaries and Allowances of Ministers (Amendment) Act, 1965.

(2) It shall come into force at once.

5

Amendment  
of Section  
6.

2. To clause (b) of sub-section (1) of section 6 of the Salaries and Allowances of Ministers Act, 1952, the following proviso shall be added, namely:—

§8 of 1952.

“Provided that such allowances shall not exceed those admissible to a Member of Parliament who is required to undertake to tours as a member of a Committee, Commission etc. set up by Government”

### STATEMENT OF OBJECTS AND REASONS

When a Member of Parliament is appointed on a Committee, Commission etc. set up by Government and is required to undertake tours in connection therewith, he is given lesser privileges in the matter of travelling and daily allowances than those admissible to a Minister for going on official tours. Such practice is not a healthy one and should be discouraged, especially when the nation is committed to a socialistic pattern of society. It is, therefore, high time that such disparities are done away with. The present Bill attempts to achieve this.

## BILL NO. 4 OF 1965

*A Bill further to amend the Advocates Act, 1961.*

Be it enacted by Parliament in the Sixteenth Year of the Republic of India as follows:—

**Short title**      1. (1) This Act may be called the Advocates (Amendment) Act, and com- 1965.  
mencement.

(2) It shall come into force on such date as the Central Govern- 5  
ment may, by notification in the Official Gazette, appoint.

**Amend-  
ment of  
section  
24.**

2. In section 24 of the Advocates Act, 1961 (hereinafter referred to as the principal Act), in clause (a) of sub-section (3), after the words "a mukhtar", the words "or a revenue agent" shall be inserted.

25 of 1961.

10

**Amend-  
ment of  
section  
55.**

3. In section 55 of the principal Act,—

(a) in clause (c), after the word "mukhtar", the words "or revenue agent" shall be inserted;

(b) clause (d) shall be omitted; and

(c) section 55 of the principal Act shall be re-numbered as sub-section (1) thereof, and after sub-section (1) as so re-numbered, the following sub-section shall be inserted, namely:—

5                   18 of 1879.

“(2) Every revenue agent practising as such immediately before the said date by virtue of the provisions of the Legal Practitioners Act, 1879, or any other law, shall be entitled to practise as an advocate after the completion of three years of practice as a revenue agent.”

## STATEMENT OF OBJECTS AND REASONS

The working of the Advocates Act, 1961, has revealed certain practical difficulties and created dissatisfaction in the class of revenue agents on account of ignoring them and awarding concessions to mukhtars who are akin to revenue agents in qualification and practice. Revenue agents are old practising lawyers, well experienced and have exhaustive knowledge of revenue, civil and other laws. Therefore, it is considered necessary that the principal Act should be suitably amended for removing dissatisfaction and enrolling the revenue agents as Advocates.

## BILL No. 5 of 1965

*A Bill further to amend the Motor Vehicles Act, 1939.*

BE it enacted by Parliament in the Sixteenth Year of the Republic of India as follows:—

1. (1) This Act may be called the Motor Vehicles (Amendment) Short title and commencement. Act, 1965.

5 (2) It shall come into force immediately.

4 of 1939. 2. To sub-section (3) of section 24 of the Motor Vehicles Act, Amendment of section 24. 1939, the following proviso shall be added, namely:—

“Provided that it shall not be an offence, if the owner of the vehicle so desires, to display the registration mark in—

10 (a) Hindi; or

(b) Hindi and any other language enumerated in the Eighth Schedule of the Constitution of India.”

### STATEMENT OF OBJECTS AND REASONS

Section 24(3) of the Motor Vehicles Act, 1939, read with Sixth Schedule of the Act, provides for the display of registration marks of vehicles in English. As Hindi and regional languages have become the official languages of the Union and the States respectively, it is but proper, that the Act is amended to provide for the display of the registration mark, if the owner of a vehicle so desires, in Hindi or Hindi and any other language enumerated in the Eighth Schedule of the Constitution of India. As English will continue to be the associate language for some time, it is proposed to retain the present provision also. This Bill seeks to achieve the aforesaid objects.

**STATEMENT OF OBJECTS AND REASONS**

From the Reports of the Committees appointed by the Central Government from time to time it is evident that a great majority of the population depends on the indigenous system of medicine so far as their health is concerned. But there is no standard either in education or treatment of the said system of medicine. The Central Government is controlling the Ayurvedic education and treatment merely on the advice given by its Adviser on the indigenous system of medicine. All the Committees on the indigenous systems of medicine have recommended the establishment of an Ayurvedic Medical Council to control the Ayurvedic education and treatment but no action has yet been taken by the Central Government in the matter. This Bill aims to give effect to the recommendations of the said Committees and to control education and treatment in Ayurveda.
